Solo :
Legend : + = mute string (stop sound)
/2\ = duplet
                                           H = Hammer On (of the note just below the H)
                                            > = fade out the volume
                                           There are so few variations in the riff that it is not the worth to fill pages of tabs for them,
```

so this tab is not perfectly matching the song, unlike I'm used to do.
